

CALLING ALL SCHOOL PERSONNEL...

We know that you are making a difference in the lives of children every day. Could you extend your willingness to help by providing a loving and structured home for children in foster care? Numerous children enter foster care everyday and need a family who is willing to provide support and encouragement.

You can make a difference by opening your home to a child in need.

We are always looking for individuals and families to open their hearts and their homes to children in need. A foster parent provides love, support and safety to a child. DePaul Community Resources provides assistance for the entire family, including foster parent training, small caseloads, 24-hour assistance, financial support and recreational activities. Foster parents can be single individuals or married couples, with or without children.

For more information about becoming a foster or adoptive parent, visit: depauldifference.org or call 434.977.9847.
