

2016-17 Performance Tasks FAQs

What's on this site?

This site contained a variety of resources related to the assessment of lifelong learning using ACPS Performance Tasks. Categories for these resources include:

- **General information:** Information regarding the development and administration of ACPS Performance Tasks
- **Scoring tools:** Includes protocols used to score student work
- **Task Materials:** This staff-specific section contains:
 - **2016-17 Task Materials**
 - **Archived Materials for PD Use**

Who is responsible for administering, scoring and inputting the scores into Illuminate?

Teachers are responsible for administering the assessments. Who scores and who inputs the scores are school-based decisions.

Whom do I contact with any questions?
