CALL FOR PROPOSALS

The Old Dominion University Educational Leadership Program's 4th Annual Working Conference will once again provide a unique professional development opportunity for aspiring and new school leaders. This year we are accepting proposals to present at the Working Conference. Approximately 150 aspiring and new school leaders will convene at Old Dominion University on June 22, 2017. There is no cost to attend. Learn more about the conference at: <http://tinyurl.com/ODUEDLEAD2017>

You are invited to submit a conference proposal that will provide valuable professional learning for aspiring and new administrators. Proposals may be submitted to present in a round table format or in a breakout session.

Roundtable: Roundtable presenters will have two small group presentations that will last approximately 25 minutes each. Presenters will facilitate groups of up to 10 attendees, which will allow the participants to learn from multiple presenters in a condensed time frame around salient, practical aspects of school leadership.

Breakout: Breakout presenters will have approximately 75 minutes to present on a topic to approximately 30-40 attendees. Breakout sessions will be offered twice.

Most materials for presentations can be provided for presenters if requested in advance (i.e. sticky notes, chart paper, markers, note cards, LCD projectors, etc).

You may submit a proposal online: <https://www.surveymonkey.com/r/3YH9GTR>

Proposals should include the following:
