

### Virginia Department of Education License Update

In a Superintendent's Memo released July 8, 2016, VDOE stated that starting July 1, 2016, individuals holding a teaching license will be eligible to add the English as a Second Language PreK-12 endorsement by passing the Praxis English to Speakers of Other Languages Test (5362) assessment. The required passing score is 149 or higher.

**Please note** - This testing option does not apply to individuals who are seeking an Early/Primary Education PreK-3 or Elementary Education PreK-6 endorsement or who hold a Technical Professional License, Vocational Evaluator License, Pupil Personnel Services License, School Manager License, or Division Superintendent License. An English as a Second Language PreK-12 endorsement also cannot be added to a Provisional (Special Education) License.
