

DO YOU ASPIRE TO TEACH?

DO YOU WANT TO ADD
AN ENDORSEMENT?

WE ARE READY FOR YOU!

The Albemarle County Public Schools Department of Human Resources is seeking staff who are interested in expanding their teaching toolkit and reaching students in a more impactful way. We are looking for:

- Current licensed instructional staff who are interested in earning an additional endorsement in Special Education or ESL;
- Staff who are not currently licensed, but understand the incredible importance of teachers in the lives of students and want to become a classroom teacher;
- Staff with bachelor's degrees who are interested in becoming Special Education or ESL teachers; and
- Teaching Assistants who aspire to become classroom teachers.

Our teacher prep and endorsement pilot programs will include access to high-quality instruction, paid coursework, and highly sought-after employment opportunities. We invite all interested staff to complete our Teacher Preparation Cohort Interest Form at the following link:
